A special meeting of the Session was held on Monday, June 6, 2016, in the dining room to receive the 2016 Confirmation Class into the life of The Church of the Covenant. Don Nixon welcomed the confirmands, then Dr. Broberg called the meeting to order with prayer at 6:43 p.m. Don Nixon introduced the confirmands and their adult mentors.

Dr. Broberg asked the confirmands the four questions required by the Book of Order to be asked to these prospective new members. Following their affirmative answers, Pat Boyer moved and David Taylor seconded a motion to receive the confirmands standing before the Session as full and active adult members of The Church of the Covenant. Dr. Broberg asked the confirmands what they felt needs to be done to improve the Church from a youth perspective. There was no additional discussion. The Session unanimously approved the motion. Dr. Broberg then gave the charge to the new members, and welcomed them as members of The Church of the Covenant.

Dr. Broberg prayed for the Confirmation Class, and the meeting ended at 6:57 p.m.

Respectfully submitted,

Jonathan M. Pachter
