

A VERY SPECIAL PALM SUNDAY!!!

Palm Sunday is almost here! At the church we are getting ready to celebrate.

Sunday, March 25, there will be two worship services: a 9a.m.

contemporary service held in the Covenant Center and an **11a.m. traditional service**

held in the sanctuary. The 9a.m. service will feature inspirational readings, prayers, celebration/praise/worship music featuring our Praise and Worship Team. As the children prepare to leave with Miss Lois, they will form a Palm Parade around the Covenant Center while singing and shouting praises!

After the 9a.m. palm parade, Miss Lois will be meeting with children (ages 4-4th grade) in the Covenant Kids Room. They will be talking about Jesus' Resurrection...what a class that will be, a celebration indeed!

Adults! You take Continuing Ed for your career; why not nurture your spirit with *Continuing Education for your Faith*. At 10:05 in the dining room, enjoy specialty coffees and pastries while Jonathan Pachter initiates invigorating conversation with faith-centered insights about a brief movie clip.

Other classes for adults: ☉ "Meeting God" book study; ☉ "Israel's Mission: Becoming a Kingdom of Priests in a Prodigal World"; ☉ "When God Doesn't Fix It." Locations will be posted.

Also at **10am: The youth** will meet in the Youth Room for a brief time together before heading to the sanctuary for Processional Training and to run through their parts for the service.

The children (ages 4-4th grade) will meet Miss Darla in the Sanctuary at 10 to practice their music. Then they will meet at the foot of the cross in the Commons where Miss Laura and Miss Brandi will answer questions about the Crucifixion Sculpture during their Sunday school time.

Parents you will be asked not to sit in the sanctuary at this time...what will you do? Head into the dining room for conversation with Jonathan Pachter along with specialty coffee and treats!

Traditional Palm Sunday Worship Service at 11am in the sanctuary. We will all join back together for worship. Children will enter the sanctuary during the Processional Hymn while waving palms. Children will be singing and ringing bells! They will be celebrating with the congregation! Our youth will be helping to lead worship! Pastor Stu will preach on the story of the first Palm Sunday when the disciples said the children were annoying Jesus by making too much noise. Find out what Jesus said to them! This is a service not to be missed!
